

Natalija Kostadinovska

Software Engineering Student

- Proleterski Brigadi 60 - Kicevo, Macedonia
- natalijak2009@hotmail.com
- +389 71 387 691
- <https://github.com/natalijakostadinovska>
- <https://www.linkedin.com/in/natalija-kostadinovska-88b2941aa/>

In the following link I have a collection of edited photos and illustrations that I have gathered in order for you to see what my creative mind/aesthetic looks like: <https://www.deviantart.com/natalijaxx>

Experience

MAR 2021 - JUN 2021

Internship

Bintern

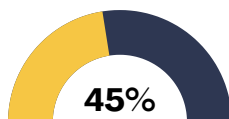

- The internship I took at Bintern was about Web Development.
- We built a few applications which you can find on my GitHub but I would like to single out the following chat- application: <https://github.com/natalijakostadinovska/firebase-vue-chat>

Projects

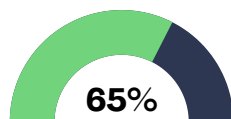

- My personal portfolio website using HTML, CSS and JavaScript: <https://nks-personalportfolio.herokuapp.com/>
- A self-taught Adobe XD (ui/ux design field) project: <https://xd.adobe.com/view/852fc625-67d6-4141-8512-ca2349ba6188-d07c/grid/>
- A mobile app design: https://dribbble.com/_natalijaxx

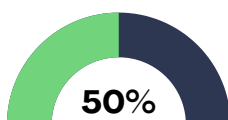

Skills

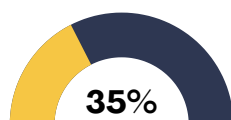

Vue
